# Welcome to IFSCC Congress 2027

**“Unlock around the clock,  
cosmetics for a diverse world”**

is the motto of the 37<sup>th</sup> IFSCC Congress 2027,  
which is hosted by the Swiss Society  
for Cosmetic Chemists.

A diverse world with its multiculturalism, the demand of new generations and the diversity of different skin and hair types offers amazing opportunities to grow. The modern society looks for science that connects research and emotion, released by the scientific teams around the world, all the time, around the clock.

Basel, Switzerland, is a well-known city for a long history in Chemical Industry, easy to reach by plane, train and a network of motorways, the ideal city to host this IFSCC Congress.

The 4-day congress programme will dig into the latest research of all cosmetic disciplines and bring together the international community of cosmetic scientists.

The SWISS SCC invites you to explore the marketing opportunities of this prestigious and unique event.

Decide now and join the IFSCC Congress 2027.

## About the IFSCC

The International Federation of Societies of Cosmetic Chemists is a worldwide federation dedicated to international cooperation in cosmetic science and technology.

Interest in the formation of such an organisation crystallized in Paris in 1956 and culminated in the birth of the federation in Brussels, Belgium on September 8, 1959. At that time there were only 8 countries entering the Federation.

Today, **51 Societies representing 81 countries** have met the high standards of scientific and educational qualifications of the IFSCC and support the organization's aims and programs. The number of individual members in the Federation now exceeds 16,000 and we are still growing.

The IFSCC continues to grow as the cosmetic industry expands worldwide. As new Societies develop in Eastern Europe, Asia, Africa and Latin America, they will be welcomed into the Federation as they qualify for membership.
